EDUCATION

Universiti Teknologi Malaysia (UTM)
Bachelor of Biomedical Engineering with Honours
Faculty of Electrical Engineering

Johor, Malaysia
Oct 2021 – Aug 2025

- CGPA: 3.42 / 4.00
- Dean's List (5x)
- Final Year Project: Fabrication and Physicochemical Characterization of Fast Dissolving Nanofiber Scaffolds for Dermal Regeneration (Award Winner)

English Proficiency

IELTS Academic: 7.5 Overall (C1) – Feb 2026

EXPERIENCE

Field Operations Contractor

May 2026 – Present

Beanz (Al Bateen Global General Trading), Abu Dhabi, UAE

- Executed independent field onboarding across 450+ coffee shops, outlets, and mobile coffee trucks in Abu Dhabi, installing branded display materials per client specification.
- Maintained 100% documentation compliance, submitting same-day photo-verified onboarding reports for every site visited under a fully output-based contract.

Accounts & Client Services Coordinator

Mar 2026 – May 2026

Perfix Advertising, Al Ain, UAE

- Prepared quotations and invoices with accuracy and timely follow-up.
- Coordinated with clients (e.g., Al Ain FC) on branding and event requirements.
- Supported project delivery and large-scale events, ensuring smooth execution and communication.

Event Operations Crew

Nov 2025 – Jan 2026

Vibes Events – Mother of the Nation (MOTN), Abu Dhabi & Al Ain, UAE

- Supported operations in high-traffic festival environments, ensuring smooth visitor flow and positive guest experience.
- Coordinated with security, logistics, and operations teams to maintain safety and efficiency.
- Resolved operational issues in real-time and escalated critical problems to minimize disruptions.

Biomedical Engineering Intern

Jul 2024 – Oct 2024

SEHA – Al Ain Hospital & Tawam Hospital, UAE

- Maintained and tested 80+ medical devices including defibrillators, monitors, and incubators.
- Conducted electrical safety testing using Rigel ESA, Fluke ESA615, and defibrillator analyzers.
- Diagnosed equipment faults and coordinated repairs to minimize clinical downtime.
- Communicated technical findings clearly to clinicians and hospital staff.

Biomedical Engineering Intern

Feb 2024 – Mar 2024

Czech Rehabilitation Hospital, Al Ain, UAE

- Observed rehabilitation equipment workflows and maintenance protocols.
- Assisted in understanding clinical device usage and compliance procedures.

KEY ACHIEVEMENTS

- 2nd Place, Best Overall Final Year Project – International Innovation Day 2025 (UTM)
- Best Capstone Project – Biomedical Engineering, Jan 2025
- Dean's List (5x), GPA up to 3.95
- Led prosthetics design initiatives for children in Palestine (UTM Bionic Club)
- Mentored workshops on Fusion 360, 3D printing, and electrical safety

SKILLS

Expertise: Biomedical Device Maintenance, Troubleshooting, Biomaterials, Prosthetics

Tools: Arduino, ImageJ, Python, SolidWorks, Fusion 360, LTspice

Testing: Rigel 288+/ESA, Fluke ESA615, Fluke Defibrillator Analyzer, Fluke BP Pump Analyzer

Machine Learning & AI: TensorFlow, PyTorch, scikit-learn

Languages: Arabic, English
